Ivanova Tatyana Pavlovna - Deputy head Doctor of Medical Work of the National Children's Specialized Hospital "OKHMATDIT".

Marina M. Mamenko - Dean of the Pediatric Faculty of the National Medical Academy of Postgraduate Education named after P. L. Shupik, Professor of the Department of Pediatrics - 2

Knyazka Tatyana Nikolaevna - Department of Health Kyiv , Paediatric department

Lapshin Volodymyr Fedorovich - Deputy Director for Scientific Work Institute of Pediatrics, Obstetrics and Gynecology, National Academy of medical Science Ukraine, Head of Scientific group of diseases of the respiratory allergies in children.

Professor Omelchenko Lyudmila Ivanivna - Head of Division of Connective Tissue Disorders in Children, Institute of Pediatrics, Obstetrics and Gynecology, National Academy of Medical Sciences.

Professor Umanets Tetyana Rudolfivna leading researcher of the Department of Respiratory Diseases and Respiratory Allergies in Children of the government agency "Institute of Pediatrics, Obstetrics and Gynecology, national academy of medical science of Ukraine ", President of the Association of Children's Allergists of Ukraine.

Professor Shunko Elizaveta Evgenivna - Head of the Department of Neonatology National Medical Academy of Postgraduate Education named after P. L. Shupik, Corresponding Member of the National Academy of Medical Sciences of Ukraine.

Committee working committees:

From general issues:

Oshlyanskaya Elena Anatolievna - associate professor of the Department of Pediatrics –no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk.

Usova Olena Ivanivna - Associate Professor of the Department of Pediatrics – no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk

Olena Victorovna. Ponochevna - assistant professor of pediatrics department –no1. National Medical Academy of Postgraduate Education named after P. L. Shupyk.

Transportation:

Sharikadze Olena Victorivna - associate professor of the Department of Pediatrics – no.1 National Medical Academy of Postgraduate Education named after P. L. Shupik

Yakovleva Natalya Yurievna - Associate Professor of the Department of Pediatrics – no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk

Duda Lyudmila Alexandrovna - post-graduate student of the Department of Pediatrics - – no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk

Mellina Ksenia Volodymyrivna - associate professor of pediatrics department -- no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk

From reception, registration and placement of participants:

Tkacheva Tatyana Nikolaevna - associate professor of the Department of Pediatrics -- no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk Tamara Skubko, Elena O. Gribyuk

Technical support of reports: Rudenko Sergey Nikolaevich

PROGRAM

SCIENTIFIC-PRACTICAL CONFERENCE

"TOPICAL ISSUES OF DIAGNOSTICS AND TREATMENT OF ALLERGIC DISEASES AND AUTOIMMUNIC STATUS IN CHILDREN" (for pediatricians, pediatric allergists, pulmonologists, rheumatologists, immunologists, gastroenterologists and family physicians)

April 25, 2019, Thursday

8.00am. REGISTRATION OF PARTICIPANTS

(Assembly Hall of the National Medical Academy of Postgraduate Education named after P. L. Shupyk)

9.15am-9.30am OPENING OF THE CONFERENCE (meeting room no.1 National Medical Academy of Postgraduate Education named after P. L. Shupyk)

- Welcome speech - Rector of the National Medical Academy of Postgraduate Education named after P. L. Shupyk, Academician of the National Academy of Medical Sciences of Ukraine Professor Voronenko Yu.V.
- Welcome speech from the State Institution "Institute of Pediatrics, Obstetrics and Gynecology, of Ukraine"
- Congratulations from the National Children's Specialized Hospital "OKMATDIT"
- Welcome speech from the Department of Health of the Kyiv State Administration
- Welcome speech from the Department of Health and Sanatorium Support of Kyiv city Administration

• Congratulations from the Association of Pediatricians of the Kyiv Session of April 25, 2019 (Thursday) 9.30am - 14.00pm conference room of the National Medical Academy of Postgraduate Education named after P. L. Shupik

ACTUAL PROBLEMS OF CHILDREN'S ALERGOLOGY -

INTER-DIAGNOSTIC APPROACH

Section no1. Selected Issues of Pediatrics and Pediatric Allergology

Coordinators: prof. N. O. Savichuk, Ph.D. I. D. Sadovyak, prof. M. Ye. Mamenko, prof. AA Nakonechnaya, Corresponding Member National academy of medical sciences of Ukraine prof. E. E. Shunko, prof. O. M. Okhotnikova.
